

The Diploma in Business Accounting and Finance is a 3-year programme offered by the School of Business. This Diploma programme has the following aims to:

- provide for a range of accounting and finance related careers
- provide specialised studies which are directly relevant to individual professions in which students may be currently working or in which they intend to seek employment
- provide flexibility, knowledge, skills and motivation as a basis for progression to further study

This programme also provides a progression route to higher studies for students with relevant TVET Qualifications.
