## TESTIMONIAL

*“Digital Media is a very interesting program and it caught my interest when I first heard about it.*

*The program taught me a lot in various creative areas such as graphic design, filming and photography, scriptwriting, 2D and 3D animation.*

*Another aspect that I find helpful was that this program also adds Entrepreneurship and Project Management modules to help students be prepared for their future career especially when it comes to collaboration and teamwork.”*

*Nur E'zzati Hasyimah binti Roslan  
2017 Award recipient - Academic Excellence Award for School of ICT*

*“Politeknik Brunei telah banyak memberikan peluang untuk kami menerokai perlbagai bidang yang kami minati, terutamanya di dalam bidang penggambaran video, animasi dan Vfx.*

*Produksi Visual Effects terdiri dari campuran modul modul yang telah dipelajari seperti produksi video dan 3D, diselitkan dengan penggunaan media green screen. Proses VFX adalah untuk meningkatkan satu produksi dari tahap pembelajaran normal ke tahap industri.”*
