## SCHOOL OF HEALTH SCIENCES

# Level 5 Diploma in Health Science (Nursing)

*"This programme provides a general education in nursing for the preparation of first-level professional nurses who can provide high-quality patient-centred care in different healthcare settings"*

### Career Opportunities

On successful completion of the course, candidates are eligible to apply for registration with the Brunei Nursing Board and to work in any hospital/clinic settings locally or internationally as Staff Nurse.

### Further Studies Opportunities

The programme is designed to provide graduates with an opportunity to further their studies in related health sciences areas both in local and international universities. The successful completion of the programme renders a candidate to be eligible for application for enrollment on the Bachelor's programmes of nursing studies
